

Reel in New Finance Business and Land Some Salmon!

Eagle Creek Lodge Awaits

Hidden along the coast of British Columbia is Eagle Creek Lodge. Home of great accommodations and food. And superb fishing. As one of PFC's high performers (based on the number of new and used trucks financed), you'll enjoy two days of guided world-class fishing on this all-expense paid trip.

How to Win this Trip of a Lifetime?

Every new and used truck financed with PFC, earns you "pounds of salmon" (points). Plus, bonus pounds are awarded for medium duty and vocational units. The contest runs from March 15 through May 31, 2005. Be sure to participate!

For full details, contact your PFC representative.
