LEVEL 4 & 5

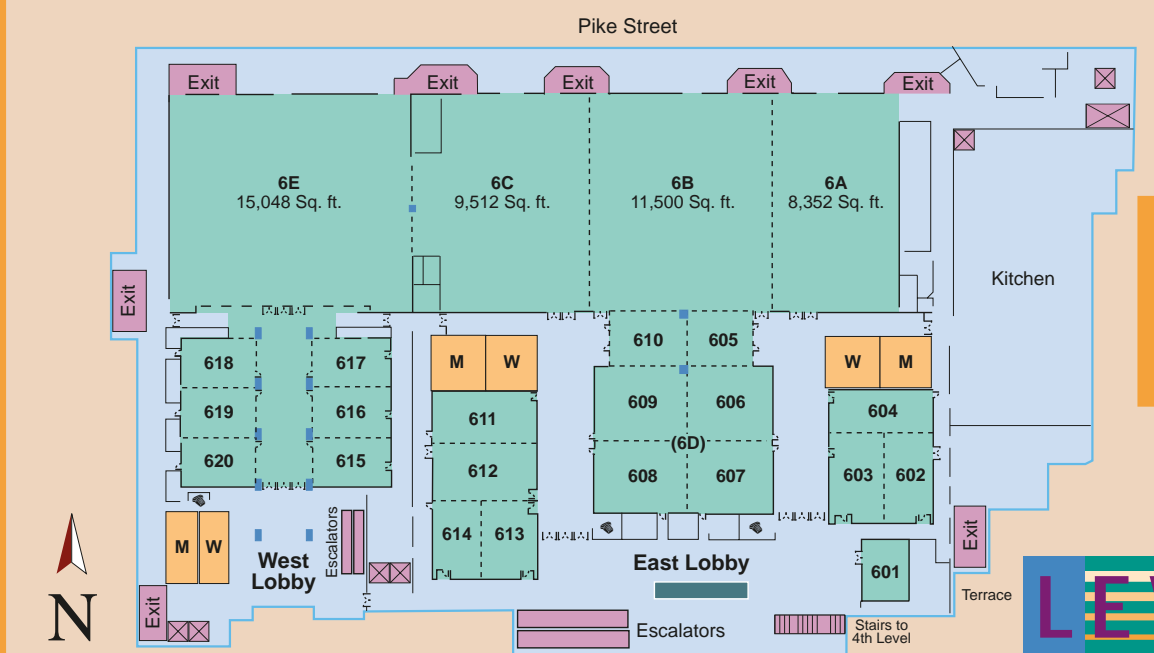

- Approximately 105,700 sq. ft. of new heavy-load (350 psf) exhibit space, divisible into two separate halls with 70,000 sq. ft. of column-free space
- Grand total of 205,700 sq. ft. of exhibit space
- Full sound separation between halls
- Up to 8,800 sq. ft. of new registration/pre-function lobby space adjacent to new exhibit hall entrance (north), in addition to existing 18,000 sq. ft. of registration/pre-function lobby space (south), effectively offering two separate lobbies

- Direct drive-in capability from existing loading dock, without city traffic interference
- Ceiling height clearance up to 25 feet, with dual-level show lighting
- Space for more than 960 10' x 10' exhibit booths
- Built-in food service in halls
- More than 2,300 sq. ft. of meeting rooms on Level 5
- All Level 5 rooms overlook Level 4 exhibit halls A & B
